# WELCOME TO OLD TOWN OPTIX OPTOMETRY!

We would like to take this opportunity to explain a few of our office policies and procedures.

*OFFICE HOURS:* Monday through Friday, 9-5 and Saturday, 9-4

*EMERGENCIES:* If during office hours, call and we will get you right in. After hours, you may reach the doctor by calling 909-855-4535. If he doesn't call back within 60 minutes, he may be inaccessible in which case contact another doctor or go to the emergency room.

*APPOINTMENTS:* Please arrive a few minutes early for your appointment. This time is reserved for you. Please notify us if you have eye care and medical insurance. We will contact you two days in advance of your appointment at the contact number you gave us. If we are unable to speak to you directly we will leave a message requesting you call us to confirm your appointment.

*MINORS:* If you are not financially responsible for your treatment, the financially responsible person needs to accompany you so once treatment options are discussed, the treatment plan can be approved. This will avoid delays in needed treatment.

*PAYMENT FOR SERVICES/INSURANCE:* Please come prepared with your eye care and medical insurance information and claim form if used. Remember, it is your responsibility to inform us of any insurance coverage or if it has changed before we provide any services. Be prepared to pay for any co-pays, deductibles or non-plan-covered expenses. For insurance plans where we are not a panel member, you will pay for your services. We will provide you with a "Superbill" which contains all the information required by the insurance company to reimburse you according to your plan benefits. We accept all major credit and debit cards, cash and checks. There is a 1.5% monthly finance charge on any balance we carry. **By signing below, you are authorizing us to accept payment from your insurance company on your behalf (accept assignment). You also acknowledge and understand that you are responsible for all charges not paid or denied by your insurance company.**

*PAYMENT PLAN:* We will refer you to Care Credit. Depending on your credit and amount financed, you can pay over 6-12 months interest free.

*REFUNDS: Eyewear;* In order to be eligible for a refund, glasses must be picked up within 14 days of attempted notification. If you are dissatisfied with the sight or fit of your glasses, a full refund will be given up to 14 days after receiving them but only after you see the doctor and give him a chance to make them right. Often a minor correction will solve the problem. We want you to be completely satisfied with your eyewear.

*FRAME WARRANTY:* All our frames carry a 10 month warranty against manufacturer's defects **under normal use.** If your frame is covered as determined by us, we will repair or replace it at our option one time. If the frame is no longer available from the manufacturer, you will need to purchase new frames and lenses. In this case, we will extend a 25% discount on the new materials. This warranty does not cover lost frames or lenses. Occasionally, your glasses will need to be sent back to the manufacturer for repair or replacement. Be sure to have a spare pair available.

*EYEWEAR PRESCRIPTIONS;* You are welcome to your glasses or contact lens prescription at any time. Remember most eyeglass prescriptions expire in 1-2 years and contact prescriptions expire yearly.

*RETURN VISITS:* If you want good sight and eye health your whole life it is important to have regular eye examinations. To help, we proactively schedule your next year's visit today and write it down on your Report of Vision. We will call two weeks in advance to see if the date is still convenient.

**We are pleased you have chosen our office for your eye care. We want to be your eye care provider for years to come. Tell us what we can do to help you. Our office continues to grow through your kind referrals and positive social media reviews.**
